

# Blue Bay Dive IDC GUIDE

# Introduction

Blue Bay Dive Curaçao is proud to welcome you to our **5\* Instructor Development Resort at Curaçao**. As part of Blue Bay Resort, we received this status at December 2015.

We at Blue Bay Dive, are proud to present three IDC's in 2019. The IDC is hosted at our dive shop at **Blue Bay Curaçao**. The IDC will be provided in **English, Dutch, Spanish, and German**.

Under supervision of our **PADI Course Director Mick Bosman** we will prepare you for your career in diving. It's also possible for you to participate in the PADI IDC Staff Instructor Course, which runs at the same time as the IDC does. You will be part of the team and experience how it feels to be our Staff Member during the IDC.

Since we are a PADI Tec Rec Center we also offer Tec Instructor training options after the IDC.

Team Blue Bay Dive is looking forward to create an IDC you will never forget. We hope to see you soon!

Kind regards, **Mick Bosman Course Director Blue Bay Dive**
